Sir,

In the Budget estimate for the year 1903-4 under the head " 11 Gas-house charges" provision has been made for the construction of a store-room and driver's quarters and also a shed for the gas-holder. Subd. The provision out of which the expenditure &c.
be met has been made in the Civil Budget
under 21 Scientific & Minor Depts-6 Depts
Agricultural Chemistry. The work is however
done by the P.W. Dept, where provision for it
does not exist. Under Rule 38 of G.O. no 1150-1192
-18-1901-028 7.2.03 - the order on Mr. Kiernan's
Report - the expenditure can not be transferred
by the Comptr. for adjustment against the
provision in the Civil Budget but &c. be charged
in the P.W. Dept. Hence the necessity to transfer
the provision from the Civil to the P.W. Budget
The proposal of the Agricultural Chemist and the
draft order appear to be quite in accordance
with rules about re-appropriation.

Rule 66-04.
